

We are a leading supplier of quality, pre-owned critical equipment.

WHY BUY YOUR PRE-OWNED CRITICAL INDUSTRIAL EQUIPMENT FROM LEL:

- No lead time on equipment—many times can be delivered within the week
- Investment cost is 50% or less than buying new equipment
- All of LEL equipment has been inspected and in many cases been refurbished

WHY SELL YOUR PRE-OWNED CRITICAL INDUSTRIAL EQUIPMENT FROM LEL:

- We offer competitive equipment pricing
- We can remove the equipment and have a great safety record to back it up
- We are not a broker and pay for equipment in full, up front.

WHERE WE CAME FROM

LEL was formed by Lee Lancaster in 2007 when he recognized an opportunity to bring value to businesses through the purchase and sales of their idle equipment assets. What first began as the buying and selling of standard mechanical and industrial equipment has grown into the opportunity to serve over 1,000 people in more than twenty industries.

WHERE WE ARE GOING

- Let us serve you by conducting a site visit to assess equipment and create a decommissioning and removal plan.
- Our team is prepared to create an equipment solution that will be best for your company no matter what industry you're in.
- Whether you're buying or selling, we go above and beyond to assist you in getting the most value from your used equipment.

WE BUY & SELL:

- CHILLERS
- COOLING TOWERS
- BOILERS
- GENERATORS
- AIR COMPRESSORS
- CRAC's / PDU's / UPS's
- LARGE TANKS
- ELECTRICAL GEAR
